*"Slaying dragons is a Western concept."*

*"Godzilla should not be destroyed,  
he should be studied!"*

*"Some people don't like change, but you need  
to embrace change if the alternative is disaster."*

# 1

***“My name is Steve Martin and this isn’t funny. I’m a reporter bearing witness to the smoldering end of the United States of America, just weeks ago, the most powerful nation in history!”***

***“This cataclysmic series of events began at 40,000 feet. The luxury aircraft started its descent, its destination minutes away.”***

***“We land and the show goes on. No delays. No hassles.”***

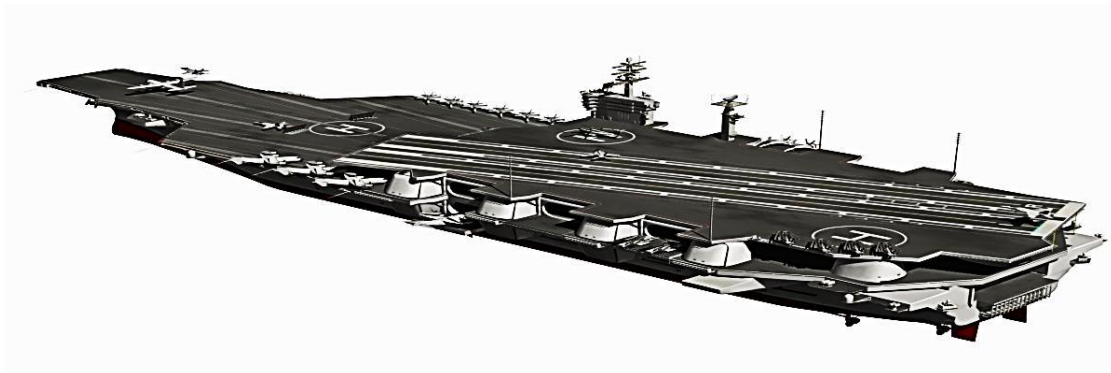

**"From the aircraft to the limo and on to the business destination."**

*"Far East Hollywood. America created this game! This South African perfected it!"*

*"You want to rent our biggest and most famous star?"*

*"Not to make an American movie,  
but to remake America!"*

*"An ambitious project, indeed!  
You have transportation. I have  
your check. Bon voyage!"*

*"Absolutely nuts! And I thought 'Coming to America' was a bit farfetched!"*

*"For a new, deluxe, living 'Dinosaur Park'? Admission more than a Broadway show!"*

*"Didn't they try this with KING KONG? How did that work out?"*

*"Last century! With enough money and political clout, **GODZILLA** is small potatoes!"*

*"ICE is going to let **GODZILLA** in?"*

*"Not a hitch with his White House sponsor. We elected **MAGA** and they think they can do anything they want!"*

**On the high seas...**

*"All was going according to plan or so it was thought!"*

*"And after nearly a week..."*

*"Land ho, Mr. President. Bringing in the **KING!**"*

*"Don't you worry. My money got you elected. **GODZILLA** will get you respected!"*

*"Everything's got to be perfect. If anything goes wrong..."*

*"'Respect' comes with the job title. I want to be feared!"*

**"At that moment, more than 1000 tons of tranquilizers were off!"**

**"Down went GODZILLA's ride in record time. Then the creature came ashore"**

**"America invaded by a prehistoric beast! The hottest Hollywood comeback in history!"**

**"America's defense was  
ready for the fight!"**

*"God have mercy!. Now, it seems, America has no defense!"*

***"Anti-GODZILLA Legislation! We'll handle this strictly by the Constitution!"***

*"DEFCon **GODZILLA**! We're pulling out all the stops! Blow this beast back to hell!"*

*"If **GODZILLA** isn't stopped soon, all of us will be out of a job!"*

*"Musk's gone **Bizarro**! Thousands will be killed, billions in damages! But the Unemployment data will drop and the construction industry will once again flourish!"*

*"While the rest of the world is throwing a '**GODZILLA-USA**' party, especially Canada, Panama and Greenland! Arrogant America being put in its place...by..."*

*“Unholy alliance! Our beloved country at the mercy of a prehistoric monster and a South African futurist!”*

*“Calm down, please! There’s a bigger plan at work here and we’ll rip into this catastrophe and blow it up!”*

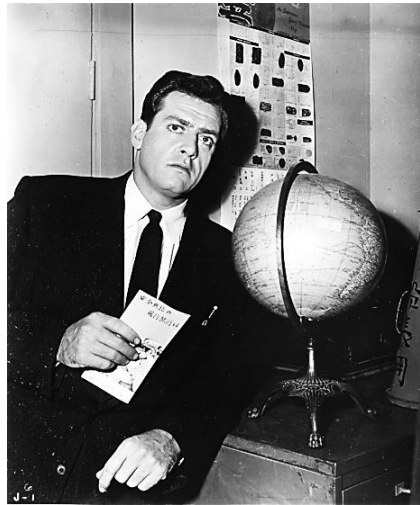

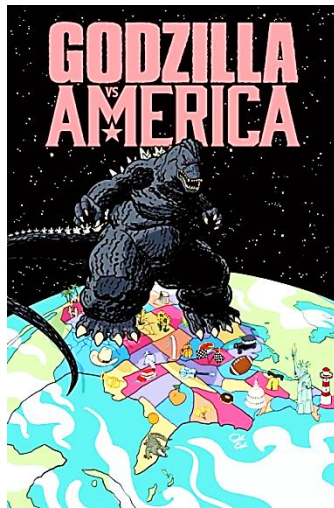

**‘GODZILLA is not the Number One enemy and neither is Mr. Musk! The liberal media will be ‘blowing us up’—FAKE NEWS!’**

# 2

**"GODZILLA marches on, impervious to every weapon in the US arsenal! He's crossed the Mississippi and continues heading east!"**

**"Not just destroying, GODZILLA is nourishing himself as he goes, devouring thousands of cattle!"**

**"Will there be no end to this merciless rampage?  
And soon to be 'No longer available'..."**

**"The AMERICAN Hamburger!"**

*"Just when the world thought the Democrats were dead, **GODZILLA** comes to the rescue!"*

*"Party? Elections? I'm afraid all America will be destroyed!"*

*"While the President rants and raves pushing for a takedown that doesn't exist!"*

*"While we sit in the cheap seats doing nothing?  
No, no, **NO!**"*

*"Our Defense is one big dumpster fire,  
I won't even think of nuclear weapons!"*

*"Not yet, but you will.  
We all will!"*

*"And of course, there are those Americans who know exactly how to react to 'The King of the Monsters'..."*

*"They're exploiting him!"*

*"Say what you want about the King. His #1 fan still loves him!"*

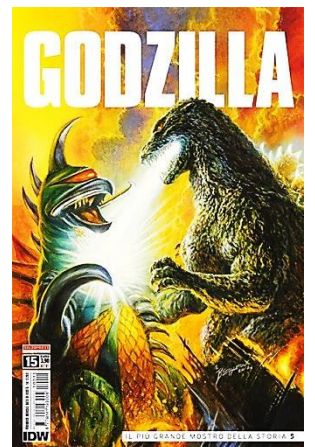

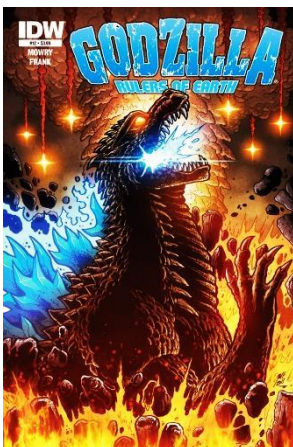

*"But do you know the real truth? Who the kingmaker is behind **GODZILLA**? The President will fight with all his might to defeat this murdering menace because..."*

*"It's all Biden's fault!"*

*"Good night, America, and good luck. My work here is done."*

# 3

**“Who or what is **GODZILLA** exactly?  
Scientists have theorized that the  
animal was awakened after fifty  
million years, and then enlarged  
and empowered by nuclear testing!”**

**“And his fiery breath the result of  
America napalm raids which  
incinerated a million Japanese civilians!”**

**“‘The King of the Monsters’ is *not*  
**GODZILLA...****
